

BREGIANNOS LAW FIRM

S. N. Bregiannos - G. N. Bregiannos and Associates Law Firm

our firm

Who we are

FOR 40 YEARS **BREGIANNOS LAW FIRM** OFFERS A BROAD RANGE OF LEGAL SERVICES.

Established in 1980, **Bregiannos Law Firm** is one of the first law firms in Greece.

Our strength lies on our extensive experience and in our understanding of the Law. With more than 30 associates and staff members we provide comprehensive legal services in all areas of the Law. Proper counselling is of vital importance in preventing or reducing the risk of subsequent litigation.

Bregiannos Law Firm is recognised among the best in the field of litigation in Greece. The Firm has successfully represented clients on complex and highly-technical disputes in different industries such as chemical, oil & gas, renewable energy, construction & engineering, distribution, finance, media, automotive, aviation, logistics, IT, telecommunications, hospitality, infrastructure, pharmaceuticals, shipping, steel and transportation industries.

Our people

Our Law Firm consists of highly educated and skilled partners and associates, who are always close to our clients, remain constantly at their disposal and offer our services under confidentiality and effectiveness.

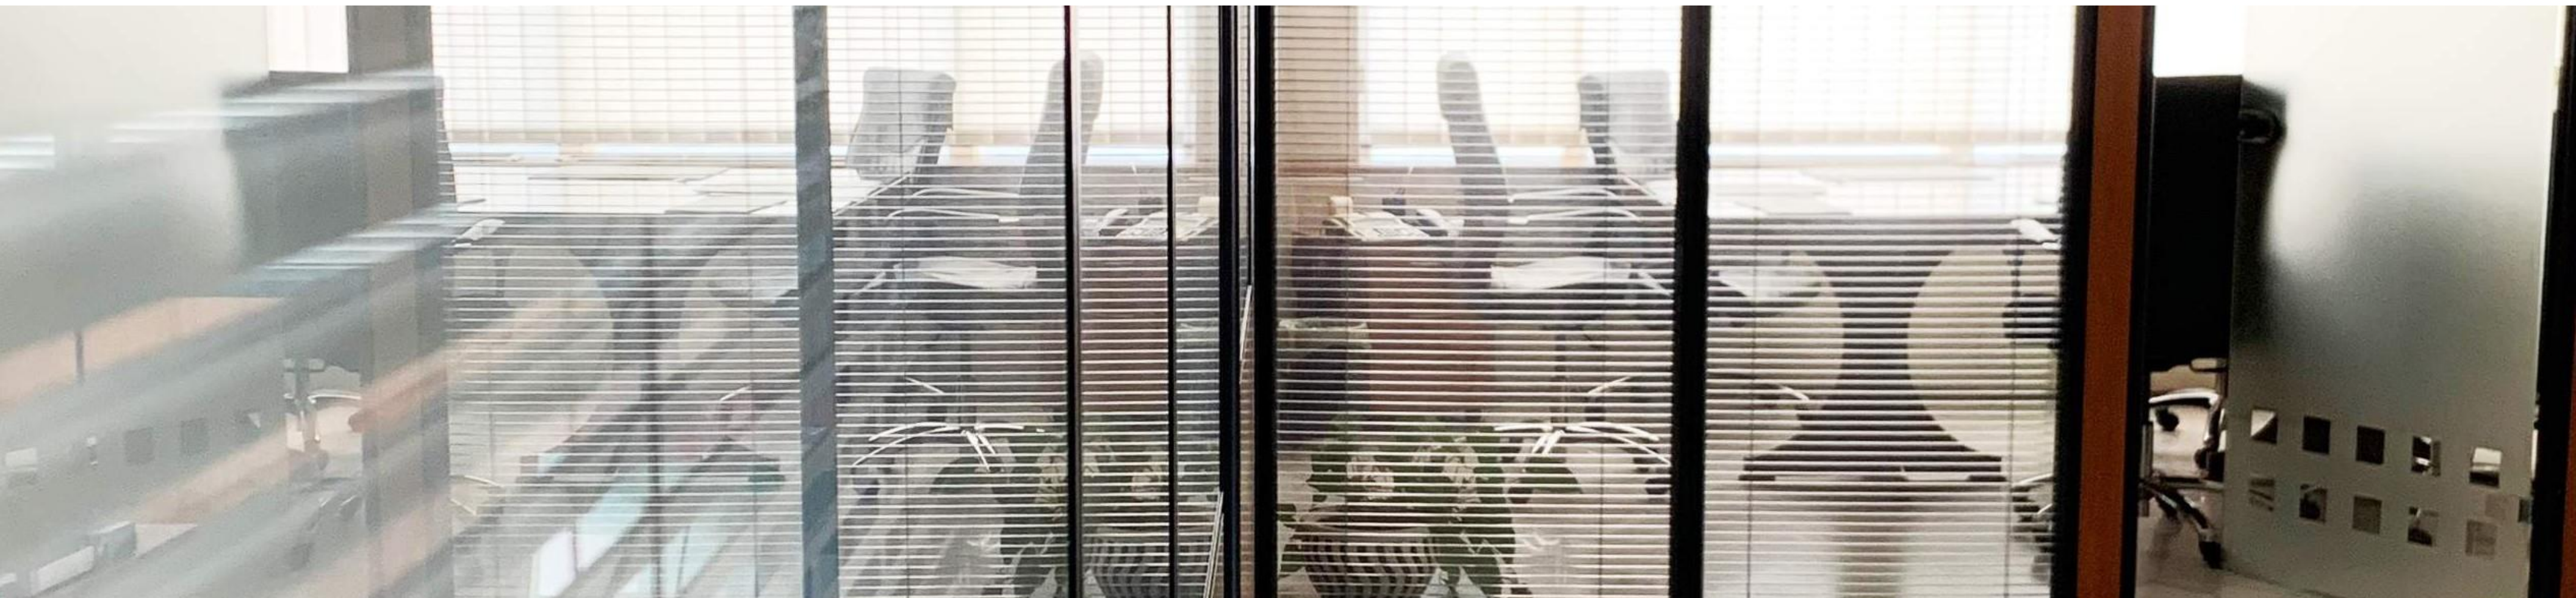

We are a well coordinated one stop shop for all your legal needs.

For 4 decades we have formed a strong presence in Greece, on all European countries, USA, Canada, China and the Middle East.

Our mission

Our mission is to actively contribute to the success of our clients by passionately serving their interests and providing the best possible legal knowledge and experience.

We are building your dreams by assisting your vision and enhancing your ideas.

Our values

HUMANITY, COMMITMENT AND PERFORMANCE ARE THE STRUCTURING VALUES THAT DEFINE BREGIANNOS LAW FIRM.

Commitment

Our commitment is to go ever further. Our clients expect the best from their lawyers. To this end, we always call upon our talents and pool our skills and experience to offer tailored and cross-disciplinary solutions that meet our clients' legal needs.

Performance

The issues we work on require the greatest care and attention. Thoroughness is inherent to the practice of law and is essential in analysing a case; it is vitally important in providing first-rate solutions to our clients.

Humanity

For us, the human dimension of our profession is paramount. It is the major asset of a successful partnership enabling us to give our clients the most suitable response to the legal matter at hand.

Passion for Law

We are brought together by a common passion for our profession. Practising law is about never stopping, and about placing curiosity and open-mindedness at the service of our work.
